

Curriculum Vita
Spring 2025

1. Name:

Eny Dorea Paiva RN, MScN, PhD

2. Contact information:

TCU Box 298620, 2800 W Bowie Street, Fort, TX 76129

Bass #2234

Office: (817) 257-1231

eny.dorea@tcu.edu

3. Academic Background

a) Education

PhD	University of São Paulo, São Paulo, Brazil	2008-2012
MScN	University of São Paulo, São Paulo, Brazil	2005-2007
Residency	National Institute of Health for Women, Children Nursing and Adolescents Fernandes Figueira (IFF/Fiocruz) Rio de Janeiro, Brazil	2003-2005
BSN	Federal University of the State of Rio de Janeiro (UNIRIO), Rio de Janeiro, Brazil	1998-2002

b) Professional Certifications

Registered Nurse	Texas, USA, License number RN1117359	Expires 06/30/2025
Basic Life Support - BLS (CPR and AED)	American Heart Association, USA	Expires 08/2025
Registered Nurse	Florida, USA, License number RN9626434	Expires 07/31/2024
Registered Nurse	Montana, USA, License number RN194425	Expires 12/31/2023
Registered Nurse	Rio de Janeiro, Brazil, License number 102118	No expires

c) Present Rank

Associate Professor, Tenure Track, 2023

d) Year of appointment to the University and rank

2023, Associate Professor

e) Year of last promotion:

N/A

f) Previous teaching and/or research appointments other than TCU

2012-2023	Federal Fluminense University Rio de Janeiro, Brazil	Associate Professor with Tenure	Full time
2010-2012	Federal Fluminense University Rio de Janeiro, Brazil	Assistant Professor with Tenure	Full time

g) Previous professional positions

2019-2020	Toronto Metropolitan University Toronto, Canada	Visiting Professor Fellowship	Full time
2006-2010	Neonatal Intensive Care Unit: Hospital and Maternity São Luiz, Sao Paulo, Brazil	Registered Nurse	Full time
2005-2006	Neonatal Intensive Care Unit: Clinical Hospital of the Faculty of Medicine of University of Sao Paulo - Children's Institute, Sao Paulo, Brazil	Registered Nurse	Full time
2004-2005	Neonatal Intensive Care Unit: Neonatal Intensive Care Center - CETRIN (Grupo AMIL), Rio de Janeiro, Brazil	Registered Nurse	Full time

h) Formal continuing education associated with professional development

Year	CNE - contact hours	Other - contact hours
2023		16
2024	18.75	3.5
2025	13	

Date /Year	Title	Sponsor	CNE contact hours	Other contact hours
2025	SNRS 39th Annual Conference Collaborating to Advance Nursing Research, Education, Leadership, and Practice.	Southern Nursing Research Society	13	
2024	1st Nursing Assistance Conference	Federal Fluminense University (UFF), Rio de Janeiro, Brazil		10
2024	SNRS 38th Annual Conference Collaborating to Advance Nursing Research, Education, Leadership, and Practice.	Southern Nursing Research Society	18.75	
2024	Building Supportive Communities/ Clery Act and Title IX	Vector Solutions - TCU		1
2024	Conflicts of Interest	Vector Solutions - TCU		0.5
2024	Cybersecurity Awareness for Employees of	Vector Solutions - TCU		0.5

	Educational Institutions/ End-User Best Practices			
2024	TCU Discrimination Awareness in the Workplace	Vector Solutions - TCU		0.5
2024	TCU General Ethics in the Workplace	Vector Solutions - TCU		1
2023	Artificial Intelligence Interest Group	Koehler Center - TCU		1
2023	Proposing and Teaching a Writing Emphasis Course in the Core Curriculum with Theresa Gaul	Koehler Center - TCU		1.5
2023	Webinar: The Equity- minded Syllabus	Leadership & Student Involvement – TCU		0.5
2023	Workshop: Proposing and Teaching a Writing Emphasis Course	Koehler Center - TCU		1.5
2023	Course: Conflict of Interest mini-course	CITI Program – Collaborative Institutional Training Initiative - TCU		2
2023	Course: Responsible Conduct of Research for Health	CITI Program – Collaborative Institutional Training Initiative		5
2023	Course: Cybersecurity Awareness for Employees of Educational Institutions: Classifying and Safeguarding Data for institutional and Personal Use	Vector Solutions - TCU		0.5
2023	Course: Diversity, Inclusion & Belonging	Vector Solutions - TCU		1
2023	Course: FERPA - Family Educational Rights and Privacy Act	Vector Solutions - TCU		0.5
2023	Course: General Ethics in the Workplace	Vector Solutions – TCU		0.5
2023	Course: Preventing Harassment & Discrimination: Non- Supervisors Clery Act and Title IX	Vector Solutions - TCU		2
2023	Course: TCU General Ethics in the Workplace	Vector Solutions - TCU		1
2022	Course: Strengthening of Immunization Actions in Municipal Territories	São Leopoldo Mandic Faculty, Brazil		180
2020	Course: Active Teaching Methodologies Continuing Education Course	Instituto Federal de Educação, Ciência e Tecnologia Fluminense, Brazil		40
2020	Course: COVID-19 Management of infection	Oswaldo Cruz Foundation (FIOCRUZ), Rio De Janeiro, Brazil		

	caused by the new coronavirus			
2020	Extension course "MONDAYS WITH LACAP – Season 4 - Coração Valente"	Federal University of the State of Rio de Janeiro (UNIRIO), Rio De Janeiro, Brazil		
2020	Course: Professional, Emotional and Technological Competencies for Times of Change	Pontifical Catholic University of Rio Grande do Sul, PUCRS, Porto Alegre, Brazil		
2020	Workshop: Powering Learning Using Google Classroom	Federal Fluminense University (UFF), Rio de Janeiro, Brazil		
2020	Course: National Forum for the Protection of Children and Adolescents Victims of Sexual Exploitation in the Context of Pornography	Ministry of Women, Family, and Human Rights. National Secretariat for the Rights of Children and Adolescents (SNDCA), Brazil		
2019	Course: Global Health	Toronto Metropolitan University		
2019	Workshop: Quantitative Data Analysis Essentials: SPSS Training	Toronto Metropolitan University		
2019	Course: Evidence-Based Innovation	Toronto Metropolitan University		
2019	Course: Qualitative Data Analysis: NVivo Training	Toronto Metropolitan University		
2016	Course: Comprehensive Systematic Review Training Programme	The Joanna Briggs Institute, University of São Paulo, São Paulo		
2010	Course: Neonatal Pain Assessment Program (PAD-Neo)	University of São Paulo, São Paulo, Brazil		
2009	Course: Continuing Education in Neonatology	Hospital and Maternity São Luiz, São Paulo, Brazil		
2003	Course: Peripherally Inserted Central Catheter Insertion, Maintenance and Removal Course (20h),	National Institute of Health for Women, Children and Adolescents Fernandes Figueira (IFF/Fiocruz), Rio de Janeiro, Brazil, 2003		

i) Honors, Awards, and Recognitions

2024 Article titled "Alternative Measurement for Inserting Peripherally Inserted Central Catheters in Neonates" recognized for its contribution to nursing education and practice, this article was selected as the Continuing Education (CE) feature by the Journal of the Association for Vascular Access].

- 2021 Scientific article awarded at the XI National Forum of Professional Masters and Doctorates in Nursing, Brazil.
- 2016 Scientific article awarded at the III Colloquium “Exchange of Knowledge: Research methods and techniques and their interfaces in the production of knowledge in women's and newborn health”, Brazil.
- 2010 Scientific article awarded in the XIII monitoring week of the Fluminense Federal University, Rio de Janeiro, Brazil.

4. Teaching

a) Courses taught

Texas Christian University (TCU)

Term	Course	Class Title	Sections	Comments
Fall 2024	NURS 20271	Health Assessment: Practicum (Practicum)	2	
	NURS 40682	Maternal,Chld Fam Nrsg Clin (Clinical)	1	
Summer 2023	NURS 20271	Health Assessment: Practicum (Practicum)	2	
Spring 2023	NURS 20271	Health Assessment: Lab (Lecture with Integrated Lab)	2	
	NURS 40682	Maternal,Chld Fam Nrsg Clin (Clinical)	2	
Fall 2023	NURS 20271	Health Assessment: Lab (Lecture with Integrated Lab)	2	
	NURS 40682	Maternal,Chld Fam Nrsg Clin (Clinical)	2	Shadow
	NURS 30633	Research Evidence Based Nrsg (Lecture)	1	Shadow

Federal Fluminense University, Brazil

Graduate Programs	
Year	Class Title
2018 - 2023	Nursing Care Projects and Practices
2021 - 2022	Entrepreneurship and Innovation in Health
2020 - 2021	Advanced Nursing Practice - Child Health
2016 - 2017	Scheduled Update Topics
Residency Programs	
2013 - 2023	Primary health care for newborns and infants
2013 - 2023	Caring for the newborn at risk
2012 - 2014	Comprehensive health care for women, children and adolescents
2012 - 2014	Multiprofessional Care Models focused on the health of women, children and adolescents
2012 - 2014	Public Policies and Programs in Women's, Children's and Adolescents' Health
Undergraduate Programs	
2013 - 2023	Curricular Internship in Child Health
2012 - 2016	Nursing in Child and Adolescent Health II
2010 - 2011	Nursing in Child and Adolescent Health I
Other courses	
2023	Design Thinking for Innovation in Healthcare
2021	Design Thinking applied to Healthcare and Research
2017	How to prepare a scientific article
2012	Dressings in peripherally inserted central catheter

2011-2012	Insertion, Maintenance and Removal of peripherally inserted central catheter in Neonatal, Pediatric and Adult
2011	Complications related to peripherally inserted central catheter
2011	Care related to the maintenance of peripherally inserted central catheter
2011	Peripheral and Central Intravenous Devices

- b) Courses developed at TCU
- c) Honors projects directed, or committee service
- d) Graduate theses (recitals) and dissertations directed, or committee service
- e) External support received or pending for academic work
- f) Internal support for academic work received
- g) Academic Advising
Advised 11 Nursing Students in 2024

5. Research and Creative Activity

- a) Refereed publications

Under Review with Journal

“Nursing practices related to Peripherally Inserted Central Catheter in the Neonatal Intensive Care Unit: Scoping Review”. *Journal of Infusion Nursing*

“Nursing diagnoses related to labor and birth care: Scoping Review”. *Enfermagem UERJ Journal*

2021 **Dórea, Eny.** Development and Validation of Protocols. Moderator, Professional Master's in Nursing Care Course, School of Nursing, Federal Fluminense University, Niteroi, Brazil

2021 **Dórea, Eny.** Research experiences using Design Thinking (Table 2: Research experiences in the Development of Technical and Technological

Products). Presenter, XI National Forum of Professional Masters and Doctorates in Nursing, Brazil.

- 2021 **Dórea, Eny.** Newborn care in times of COVID-19: assistance in the delivery room. Presenter, III Obstetrics and Neonatal Nursing Meeting in Paraíba, Brazil.
- 2019 **Dórea, Eny.** What Design Thinking can contribute to innovation, research, and nursing practice? Presenter, MPEA 15 years, Brazil
- 2018 **Dórea, Eny.** “Banhocídio”: myth or truth. Repercussions of bed bath on body hemodynamics in Adult, Neonatal and Pediatric ICU. Presenter, 1º Simpósio Multidisciplinar em Cardiointensivismo, Brazil
- 2018 **Dórea, Eny.** Nutritional Care in the Premature. Presenter, II Multiprofessional Symposium of Neonatology at Federal Fluminense University, Brazil
- 2018 **Dórea, Eny.** Centrality of Nursing in the Teaching Perspective. Presenter, XVII Nursing Week of the Institute of Childcare and Pediatrics Martagão Gesteira (Federal University of Rio de Janeiro), Brazil
- 2017 **Dórea, Eny.** Challenges of care practice for newborns at risk. Presenter, I Neonatal Nursing Meeting of the Antônio Pedro University Hospital, Niterói, Brazil
- 2016 **Dórea, Eny.** Research In Neonatal Nursing: Challenges and Possibilities of Daily Life. Presenter, 7th Meeting on Obstetric and Neonatal Nursing in the State of Rio De Janeiro, Brazil
- 2016 **Dórea, Eny.** Research methods and techniques and their interfaces in the production of knowledge in women's and newborn's health: Traditions and Innovations in the Quantitative Approach. Presenter, III Colloquium - Exchange of knowledge: Research methods and techniques and their interfaces in the production of knowledge in women's and newborn health, Brazil
- 2012 **Dórea, Eny.** Complications of using the single-lumen and double-lumen catheter. Presenter, II Scientific Event of the PICC at UNIMONTE, Santos, Brazil.
- 2010 **Dórea, Eny.** Catheter Dressing Updates. Presenter, 1st Scientific Event of the PICC. Presenter, UNIMONTE, Santos, Brazil
- 2008 **Dórea, Eny.** The Humanization of Nursing Care in the Neonatal ICU. Presenter, VIII Multidisciplinary Meeting of the Study Group on Women's and Newborn Health. Presenter, Portuguese Beneficence Hospital, São Paulo, Brazil
- 2008 **Dórea, Eny.** Humanized Childbirth and Prematurity. Presenter, Course on Humanization of Childbirth - Nursing Practice, Hospital and Maternity São Luiz, São Paulo, Brazil
- c) Materials or activities accepted or scheduled but not yet printed, released, or presented
Book Chapter

Zanchetta, M. S., Medeiros, M., Santos, W. S., da Silva, K. L., Daufenback, V., Cabral, I. E., Costa, E., Leal, L. P., Verde, S., Ávila, M. M. M., **Dórea, E.**, Galhego

Garcia, W., Aranega, A. M., Pereira, A. V., Viduedo, A. F. S., & Faustino e Freitas, W. M. (2021). Succeeding with Brazilian faculty, students and fellows for capacity building to address health inequities and social disparities. Book chapter. In J. Brady & J. Gingra (Eds.). Teaching Social Justice in the Health Professions: Pedagogy and Praxis. Canada: University of Regina Press. (Submitted)

- d) Papers presented, participation on panels include (date, place, organization, invited or referred)

Poster Presentation

2025	Dórea, Eny; Leeson, Rebecca; Zimpelman, Leslie. Neonatal Nursing Practices in Peripheral Insertion Central Catheters: Covidence Review. SNRS 39th Annual Conference Collaborating to Advance Nursing Research, Education, Leadership, and Practice.
2024	Dórea, Eny. Innovation in Nursing Research through Design Thinking Methodology: Experience Report. SNRS 38th Annual Conference Collaborating to Advance Nursing Research, Education, Leadership, and Practice.
2023	Cipriano, E. S. V.; de Matos, P.S. D.; Babinski, M. S., D.; Aranha, D. S.; Dórea, Eny; Brum, A. K. R.. Design Thinking Method for Innovation in Healthcare: An Experience Report
2022	Machado, M. E. D.; Pacheco, R. N.; Santos, L. M.; Silva, L. R.; Dórea, Eny; Silveira, A. L. D. The knowledge of health professionals about the noise level in the Neonatal Unit.
2021	Silva, R. C.; Dórea, Eny. Nursing care to prevent skin injury in preterm newborns.
2021	Silva, M. D.; Silveira, A. L. D.; Christoffel, M. M.; Dórea, Eny; Santos, J. B. N.; Milao, B. B. Non-pharmacological measures of pain relief management in neonates: integrative review.
2021	Santos, J. B. N.; Silveira, A. L. D.; Christoffel, M. M.; Dórea, Eny; Silva, M. D.; Milao, B. B. Newborn pain relief with oral glucose 25%.
2021	Souza, L. V.; Machado, Maria Estela Diniz; Santos, L. M.; Christoffel, M. M.; Faria L. F. S.; Dórea, Eny. Use of scales to measure neonatal pain: literature review.
2019	Garcia, K. R. S.; Dórea, Eny; Rodrigues, P. V. T.; Souza, R. R. B.; Mata, B. A. C. Data collection for a cohort study related to peripherally inserted central catheter in neonates: experience report.
2019	Garcia, K. R. S.; Dórea, Eny. Complications related to peripherally inserted central catheter tip positioning in neonates.
2019	Garcia, K. R. S.; Reis, A. T.; Braga, E. S.; Marta, C. B.; Trugilho, F. C.; Dórea, Eny. Intervention strategies for the prevention of neonatal hypothermia: integrative review.
2019	Acioly, P. G. M.; Dórea, Eny. Strategies to improve nursing care for the pediatric client in the preoperative period: an integrative review.
2019	Dórea, Eny; Zanchetta, M. S. The Design Thinking Method Innovating the Nursing Research.
2018	Dulfe, P. A. M.; Alves, Valdecyr Herdy; Pereira, A. V.; Dórea, Eny; Santos, I. M. M. The voice of women about the experience of hospital delivery under the influence of a humanized model of care for childbirth and birth.

2012	Dórea, Eny . Talking with family members about the care of hospitalized children and adolescents: subsidy for educational practice.
2012	Dórea, Eny . Game of mistakes and successes in the preparation and administration of medicines in pediatrics.
2012	Dórea, Eny ; Costa, P.; Castro, Talita Elci; Fumiko, Amelia; Oliva, C. L. Types of epicutaneous catheters and reasons for their removal in a cohort of neonates.
2010	Dórea, Eny ; Marins, Daniele. Assessment of quality of life in schoolchildren undergoing cardiac surgery: a quantitative study.
2010	Dórea, Eny ; Marins, Daniele. Complications about peripherally inserted central catheter in a Neonatal Intensive Care Unit at a university hospital in the city of Niterói.

Oral Presentation

2024	Dórea, Eny. Design Thinking for Nursing: Diabetes Workshop developed to serve the population of a favela in Brazil. Podium Presentation - SNRS 38th Annual Conference Collaborating to Advance Nursing Research, Education, Leadership, and Practice.
2021	Dórea, Eny. Nursing assistance for safe neonatal care.
2017	Dórea, Eny. Ensino e pesquisa para a prática do cuidado neonatal.
2016	Dórea, Eny. Research methods and techniques and their interfaces in the production of knowledge in women's and newborn health: Traditions and Innovations in the Quantitative Approach.

Member, PhD Committees

2024	Ediane de Andrade Ferreira: Interpersonal Relationships Between Nurses and Donors in the Human Milk Donation Cycle Through the Lens of Hildegard Elizabeth Peplau's Interpersonal Relations Theory. School of Nursing, Federal Fluminense University, Niterói, Brazil
2024	Marcia Farias de Oliveira: Nurse-Sensitive Indicators in Neonatal Epicutaneous Catheterization Using Portable Ultrasound: A Methodological Study. School of Nursing, Federal Fluminense University, Niterói, Brazil
2023	Camille Xavier de Mattos: Reconceptualization of nurses on virtual dialogues of parents of children with cancer in the development of online communication guidelines. School of Nursing, Federal University of Rio de Janeiro, Brazil
2023	Cristiane da Silva Varejão: Laser Acupuncture in the Relief of Pain in Pediatric Oncology Patients in Palliative Care: A Quasi-Experimental Study. School of Nursing, Federal Fluminense University, Niterói, Brazil
2021	Carolina Campagnolo de Melo: Hospital support prototype for video games: the use of design thinking to create support for the therapeutic care of hospitalized children. School of Nursing, Federal University of Santa Catarina, Brazil
2021	Claudia Maria De Freitas Floriano: Success in peripheral intravenous puncture of children using two technologies for vessel visualization: randomized, controlled and crossover study. School of Nursing, Federal University of São Paulo, Brazil
2018	Ana Letícia Monteiro Gomes: Promotion, protection and support in the process of breastfeeding of preterm infants in Neonatal Intensive Care Units. School of Nursing, Federal University of Rio de Janeiro, Brazil
2018	Renata Miranda de Sousa: Telemonitoring by nurses as a technology allied to nursing care for patients with onco-hematological disease. School of Nursing, Federal Fluminense University, Niterói, Brazil
2018	Camilla da Silva Dias: Knowledge transfer about peripherally inserted central catheter maintenance practices in neonatology. School of Nursing, Federal University of Rio de Janeiro, Brazil
2017	Raí Moreira Rocha: The nurse's habitus in the management of nursing care in pediatrics. School of Nursing, Federal Fluminense University, Niterói, Brazil
2016	Raí Moreira Rocha: The epistemology of nursing care management in the production of Graduate Nursing Programs: in search of a paradigm. School of Nursing, Federal Fluminense University, Niterói, Brazil
2016	Gustavo Silva Dias: Analysis of the modes and effects of failures in the process of using infusion pumps in a Neonatal Intensive Care Unit. School of Nursing, Federal Fluminense University, Niterói, Brazil

2015	Patrícia de Freitas: Physiological and behavioral responses of preterm newborns submitted to two immersion bath techniques: crossover clinical trial. School of Nursing, University of São Paulo, Brazil
2014	Luciana Rodrigues da Silva: The practice of breastfeeding and the growth of preterm infants in outpatient follow-up. School of Nursing, Federal University of the State of Rio de Janeiro, Brazil.
2014	Maria Estela Diniz Machado: Knowledge, attitudes, and practices of nurses in developmental care for newborns in units in the city of Rio de Janeiro. School of Nursing, Federal University of Rio de Janeiro, Brazil
2014	Priscila Costa: Development of a risk score for non-elective removal of peripherally inserted central catheter in neonates. School of Nursing, University of São Paulo, Brazil
2013	Patrícia Ponce de Camargo: Analgesic effectiveness of the combination of oral delivery of glucose 25% and non-nutritive suction in the insertion of the percutaneous catheter in neonates: a superiority randomized clinical trial. School of Nursing, University of São Paulo, Brazil
2013	Priscila Costa: Development and initial validation of a risk score for non-elective peripherally inserted central catheter removal in neonates. School of Nursing, University of São Paulo, Brazil
