## **Academic Preparation**

Medical University of South Carolina, Charleston, South Carolina

- PhD, Nursing and Pharmacogenomics (2014)
- Dissertation: Impressions of pharmacogenomic testing among Certified Registered Nurse Anesthetists: A Mixed Method Study

Texas Christian University, Fort Worth, Texas

- DNP, Nursing (2011)
- DNP Project: The effectiveness of intraoperative brain activity monitoring on post-anesthesia unit length of stay: A systematic review and meta-analysis

Old Dominion University, Norfolk, Virginia

- MSN, Nursing (2002)
- Certified Registered Nurse Anesthetist

Virginia Commonwealth University, Richmond, Virginia

- BSN, *cum laude* (1999)
  - Minor in biochemistry
- 

## **Licensure and Professional Certifications**

- Registered Nurse, State of Texas
  - Advanced Practice Registered Nurse, State of Texas
  - Certified Registered Nurse Anesthetist (CRNA), National Board of Certification and Recertification of Nurse Anesthetists
- 

## **Professional Background**

Texas Christian University, Fort Worth, Texas (2012-present)

- Associate Professor of Professional Practice, School of Nurse Anesthesia
- Associate Professor of Medical Education, TCU/UNTHSC School of Medicine (2018-present)
- Director of Clinical Education, School of Nurse Anesthesia (2020-present)
- Director, Center for Translational Research: A JBI Center of Excellence
- Director, Cochrane US TCU Center
- Co-Chair, Cochrane US Network
  - o Coordinator, DNP Projects School of Nurse Anesthesia
  - o DNP Project Chair for multiple BSN-DNP and MSN-DNP projects
  - o Faculty in pain management fellowship
  - o Expertise as CRNA educator teaching in DNP entry-into-practice CRNA program. Responsible for oversight and coordination of DNP projects and for didactic teaching focusing on chemistry, physics, health assessment, and health policy.
  - o Responsible for operations of the Center for Translational Research, an international evidence synthesis Center and part of the Joanna Briggs Institute and the Cochrane Collaboration. Work with faculty, students, and community members to support evidence synthesis work, train in systematic review methodology, and establish formal partnerships with outside organizations.
  - o Co-Chair, Cochrane US Network of 25 affiliated organizations in the US

**NorthStar Anesthesia, Fort Worth, Texas (2006-present)**

- Certified Registered Nurse Anesthetist Former Director of Operations for one of the top three largest anesthesia groups in the United States; responsible for daily operations of 68 facilities
- Provide direct anesthesia care for patients undergoing surgical, diagnostic, interventional, and obstetric services
- Clinical coordinator for CRNA trainees at Baylor All Saints Medical Center

**Dru Riddle Anesthesia, PLLC, Fort Worth, Texas (2008-present)**

- Small business owner, provide independent contractor anesthesia services to multiple facilities throughout North Texas

**West Tennessee Anesthesia, Jackson, Tennessee (2005-2006)**

- Certified Registered Nurse Anesthetist
- Small group practice serving only rural, underserved hospitals in western Tennessee

**Panhandle Anesthesiology Associates, Pensacola, Florida (2003-2005)**

- Certified Registered Nurse Anesthetist, Chief
- Provided direct anesthesia care
- Oversight and responsibility for 28 staff CRNAs

---

**University Service**

- Chair, University IRB (member since 2015; Chair 2019-2021)
- Member, Harris College Dean's Search Committee (2019)
- Member, Faculty Search Committee School of Nurse Anesthesia (2019)
- Member, Harris College Advisory Committee (2018-present)
- Chair, Vision in Action (VIA) Lead On Graduate Education Committee (2017)
- Member, TCU/UNTHSC Medical School Curriculum Committee (2016-2018)
- Member, Undergraduate Retention Committee (2015-2017)
- Member, School of Nurse Anesthesia Interview Committee (ongoing since 2010)
- Member, School of Nurse Anesthesia Admissions Committee (ongoing since 2012)

---

**Awards and Honors**

- Fellow, American Academy of Nursing (2018)
- DNP Visiting Scholar, Taiwan Nurses Association, Taipei, Taiwan (2016)
- Funderberg Lecturer, Alabama Association of Nurse Anesthetists (2015)
- Sigma Theta Tau Excellence in Research Award (2014)
- Army Commendation Medal, Operation Enduring Freedom (2006)

---

**Publications and Impact**

1. Sbidian, E., Chaimani, A., Afach, S., Doney, L., Dressler, C., Hua, C., Mazaud, C., Phan, C., Hughes, C., **Riddle, D.**, Naldi, L., Garcia-Doval, I., & Le Cleach, L. (2020). Systemic pharmacological treatments for chronic plaque psoriasis: a network meta-analysis. *The Cochrane database of systematic reviews*, *1*(1), CD011535. <https://doi.org/10.1002/14651858.CD011535.pub3>
2. Lancaster, A., & **Riddle, D.** (2019). Avoiding anesthetic awareness: An attainable achievement. *CRNA Today*, (19)1

### Materials or Activities Accepted and Ongoing Research

1. Simms, K. Spitzer, M., **Riddle, D.** (2018). The effect of endotracheal tube cuff size in pediatric patients: A systematic Review. *BMC Systematic Reviews*. (in press).
2. **Riddle, D.** The impact of intra-operative dexmedetomidine infusion on immediate postoperative pain: A systematic review.
3. **Riddle, D.** A comparison on the effect of remifentanyl patient-controlled analgesia versus fentanyl via any delivery method on maternal satisfaction and pain reduction during labor: A systematic review.

### Mentored Systematic Reviews

Reviews on which I served as a methodological mentor and had substantial involvement in the conduct of the review and data analysis.

1. McPhail, A., & Jokel, D. (2019). Effectiveness of four-factor prothrombin complex concentrates versus plasma on vitamin K antagonist associated plasma international normalized ratio: A systematic review. *JBI database of systematic reviews and implementation reports*, in press.
2. Nguyen, J., & Nacpil, N. (2017). A comparison between dexmedetomidine and propofol on extubation times in postoperative adult cardiac surgery patients: a systematic review protocol. *JBI database of systematic reviews and implementation reports*, 14(11), 63-71.
3. Chan, T. N., & Venus, J. (2016). The effect of 30 to 60 minutes of forced-air pre-warming on maintaining intraoperative core temperatures during the first hour post-anesthesia induction in adult patients undergoing general anesthesia: a systematic review protocol. *JBI database of systematic reviews and implementation reports*, 14(4), 41-48.
4. Drummond, J., & Alberti, M. (2016). Multiple exposure to general anesthesia in pediatric patients and the development of specific learning disorder: a systematic review protocol. *JBI database of systematic reviews and implementation reports*, 14(7), 11-18.

5. Wamsley, C., & Missel, D. (2016). Effect of peak inspiratory pressure on the development of postoperative pulmonary complications in mechanically ventilated adult surgical patients: a systematic review protocol. *JBI database of systematic reviews and implementation reports*, 14(12), 74-82.
6. Schmelzer, M., Daniels, G., Hough, H. (2015). Safe storage time for reprocessed flexible endoscopes: A systematic review. *JBI Database of systematic reviews and implementation reports*, 13(9), 187-243.
7. Benham, B., & Hawley, D. (2015). The effectiveness of tools used to evaluate successful critical decision making skills for applicants to healthcare graduate educational programs: a systematic review. *JBI database of systematic reviews and implementation reports*, 13(4), 231-275.
8. Mitsdarffer, B., & Browder, M. (2015). Comparison of the force required to perform endotracheal intubation on healthy adult patients utilizing the GlideScope® videolaryngoscope and Macintosh laryngoscope: A systematic review protocol. *JBI database of systematic reviews and implementation reports*, 13(6), 35-44.
9. Hoffman, J., & Hamner, C. (2015). Effectiveness of dexmedetomidine use in general anesthesia to prevent postoperative shivering: a systematic review. *JBI database of systematic reviews and implementation reports*, 13(12), 287-313.
10. Mayhood, J., & Cress, K. (2015). Effectiveness of ketamine gargle in reducing postoperative sore throat in patients undergoing airway instrumentation: a systematic review. *JBI database of systematic reviews and implementation reports*, 13(9), 244-278.
11. Henry, J., & McFarland, A. (2015). The effectiveness of tranexamic acid at reducing postoperative blood loss following cesarean section: a systematic review of quantitative evidence protocol. *JBI database of systematic reviews and implementation reports*, 13(6), 72-81.
12. Yancey, C., & Merrick, K. (2014). The effectiveness of high FiO<sub>2</sub> in preventing postoperative surgical site infections in adult patients undergoing abdominal surgery: a systematic review protocol. *JBI Database of Systematic Reviews and Implementation Reports*, 12(2), 56-63.
13. Badeaux, J., & Hawley, D. (2014). Effectiveness of intravenous tranexamic acid administration in managing perioperative blood loss in patients undergoing spine surgery: a systematic review. *JBI Database of Systematic Reviews and Implementation Reports*, 12(7), 284-314.
14. Tabbert, K., & Virginia, A. (2013). Low-dose intraoperative ketamine for prevention of post-anesthetic shivering: a systematic review protocol. *JBI Database of Systematic Reviews and Implementation Reports*, 11(8), 38-47.
15. Gollaher, T., & Baker, K. (2012). Administration of propofol for sedation of non-mechanically ventilated patients in non-critical care areas by anesthesia providers and

non-anesthesia trained healthcare providers: a systematic review. *JBI Database of Systematic Reviews and Implementation Reports*, 10(46), 2944-2997.

## Professional Leadership

Member, Medicare Evidence Development and Coverage Advisory Committee (MEDCAC) (2019-presnet).

- MEDCAC is charged with providing independent guidance and expert advice to Centers for Medicare and Medicaid (CMS) on specific clinical topics.
- One of only three nurses to serve on MEDCAC
- After hearing public testimony and reviewing the quality of evidence, advises CMS with recommendations on implementing payments for healthcare services.
- Nominated by AANA for anesthesia and evidence based practice expertise.

President, Texas Association of Nurse Anesthetists (2018-2019)

President-Elect, Texas Association of Nurse Anesthetists (2017-

2018)

- Serve as the only CRNA representative on the Texas State Board of Dental Examiners Anesthesia Council to draft statewide policy influencing dental anesthesia care for Texans
- Chair, Government Relations Committee responsible for setting policy and legislative agenda for the Association

- Serve on the Texas APRN Alliance, responsible for drafting legislation to move all APRNs to full-practice authority in 2019

Vice President, Texas Association of Nurse Anesthetists (2016-2017)

- Successfully lead the Associations response to Anesthesiologist Assistant legislation resulting in the sixth consecutive defeat of the legislation
- Responsible for planning and executing two state-wide nurse anesthesia professional meetings

Board of Directors, Texas Association of Nurse Anesthetists (2014-2016)

- Chair of Finance Committee responsible for oversight of \$1.1M operating budget

Chair, Anesthesiologist Assistant Strategic Advisory Panel, American Association of Nurse Anesthetists (2017-present)

Member, Government Relations Committee, American Association of Nurse Anesthetists (2017-present)

Member, Policy Council, Texas Nurses Association (2013-present)

- Responsible for setting policy agenda for professional nurses in Texas
- Work with American Nurses Association to move policy from state to national level

Member, APRN Advisory Council, Texas Nurses Association (2014-present)

- Work collectively with all four APRN groups to forward APRN practice in Texas
- Advise the TNA Board of Directors on all issues related to APRN practice in Texas
- Worked to secure a hearing for full scope of practice legislation during 2017 legislative session in Texas

Member, APRN Advisory Committee, Texas Board of Nursing (2017-present)

- Appointed member of State Board of Nursing APRN Advisory Committee
- Work with Board of Nursing members on all matters related to APRN practice in Texas
- Advise legislative staff and elected officials on APRN nursing practice policy

Member, Opioid Task Force, American Association of Nurse Anesthetists (2017-present)

- Appointed member of task force charged with reducing opioid use in nurse anesthesia care
- Work with elected officials from all states in setting policy agenda and research priorities for opioid use, opioid addiction prevention, and opioid induce complication prevention
- Serve as expert on evidence synthesis methods to AANA

Member, Scientific Evaluation Committee, Anesthesia Patient Safety Foundation (2016-present)

- Appointment as only CRNA member on the APSF Scientific Evaluation Committee
- Responsible for the review of research grant proposals and awarding over \$900,000 annually in anesthesia patient safety research funds
- Serve as expert on evidence synthesis methods to the Committee and APSF

Advisor and Member, GRADE Adelaide, Adelaide, South Australia (ongoing)

- GRADE working group member responsible for scientific methods supporting the use of GRADE in evidence synthesis, guideline development, and scientific

## publications

Member, Scientific Committee, Joanna Briggs Institute, Adelaide, South Australia (ongoing)

- Responsible for review and approval of all evidence synthesis methods and recommendations by the Joanna Briggs Institute
  - Responsible for the conduct of methods studies to test newly developed synthesis methods
  - Lead on economic evidence synthesis methods group
- 

## Professional Service/Memberships

Fellow, American Academy of Nursing  
Member, American Association of Nurse  
Anesthetists Member, Texas Association of Nurse  
Anesthetists Member, American Nurses  
Association  
Member, Texas Nurses  
Association Member, Sigma  
Theta Tau  
Member, Southern Nurses Research Society  
Member, International Society of Nurses in  
Genetics Member, Evidence Aid International  
Member, Society for Opioid Free Anesthesia  
Member, GRADE International

---

## Professional Contributions

Editor-In-Chief, *Journal of Translational Health Sciences*  
Editorial Board, *International Student Nurse Anesthesia Journal* (responsible for  
evidence synthesis manuscripts)  
Reviewer, *American Journal of Nursing* (systematic review expert)  
Reviewer, *JBI Library of Systematic Reviews and Implementation  
Reports* Reviewer, *Gastroenterology Nursing Journal* (systematic  
review expert) Reviewer, *Anesthesia eJournal*  
External Reader, University of Adelaide higher degree dissertation  
committee Speaker, Merck Pharmaceuticals

---

## Military Experience

United States Army Reserve, Captain, Nurse Corps (1999-  
2009) Certified Registered Nurse Anesthetist  
Multiple mobilizations in support of Operation Enduring Freedom, awarded the  
Army Commendation Medal

---

## Community Service

Member, School Health Advisory Panel, Aledo Independent School District  
Member, Physical Fitness Advisory Committee, Aledo Independent School District  
Member, Missions Committee, Church at the Crossing, Aledo, Texas  
Multiple mission trips; national and international
